

SLEEP TOGETHER

Sleep Apnea keeps thousands of couples sleeping separately!

At Sleep Apnea Treatment Centers of America, we offer a safe, effective alternative to traditional sleep apnea treatments. You can be treated and even **have your sleep apnea cured** with our minimally invasive Radio Frequency Ablation (RFA) procedure **in just minutes.**

**To schedule a consultation,
call 1-855-863-4537
to speak with a
medical concierge
TODAY!**
